

FARM MEMORY MATCH UP

SKU: 645143

AGES 3+ YEARS
FOR 2-4 PLAYERS

CONTENTS

- A. 10 Farm Animals
- B. 20 Haystack Pieces

B. x 20

QUICK START

1. The farm animals come in two parts. Separate the two parts by gently twisting and pulling them apart.
2. Place each of the separated parts under its own haystack on a table and shuffle them around.
3. Decide who goes first.
4. The first player lifts two of the haystack pieces, one at a time, to see the farm animal parts underneath.
 - If the parts match (the top and bottom together form a whole farm animal) the player keeps the character, takes the haystack off the playing area, and takes another turn.
 - If the parts do not form a whole farm animal, the haystack pieces are replaced over the animal halves, and it's the next player's turn.
5. The game ends when all the farm animals have been correctly matched.
6. The player with the most completed farm animals at the end of the game wins!

VARIATION

For a more challenging game, once two farm animal halves are matched, remove the farm animals from the play area, but place the haystacks back in position. Players have to remember where the remaining farm animal parts are and also which haystack pieces are empty.
