

## **HOW TO PLAY**

Pick a popcorn card, read the word correctly, and build your popcorn pile.

Don't pull the POP card or all your pieces go back in the box.

Player with the most pieces wins!

## **ADDITIONAL ACTIVITIES**

- Take out 10 cards and put them in alphabetical order.
- Find all the cards with number words.
- Find the words that have two syllables.
- Find two words that rhyme.
- Sort the words by how many letters make up the word.
- Find a pair of opposites.
- Find three cards that have something in common (e.g., beginning sounds, ending sounds, etc.) and one card that doesn't. Have the child find the one that doesn't belong.
- Build language skills by taking out a card and having the child use the word in a sentence.
- Take out a card and have your child find others that start with the same letter.
- Work on fine motor skills by selecting a card and having the child write the word.
