Perfect for at home or in the classroom!

Discover a world of limitless imagination, creativity and learning! Fosters brain development through fun and educational exploration. With high quality, durable construction and intelligent magnetic design, the possibilities are endless.

Click, connect, and create hi-tech cranes, motorbikes, trucks and more with the Dynamic Wheel Set! Piece together rainbow shapes with R/C wheels and take your ideas for a ride. Follow along with the idea booklet and see what you can create! Each geometric shape contains magnets that never reject, so you'll always hear the Magformers click. When playtime is over, use the magnetic power to simply stack and store the pieces.
